Growing Together

C3 Northern Connections

Inside you'll find many opportunities to connect with God, make new friends and grow in your love and experience of Christ.

What is a Community of Faith?

Church is more than Sundays. We gather together during the week in groups expressing our love for God, one another and connecting other people to Christ.

The way we do this is through Connect Groups that meet in people's homes, cafes, restaurants or at work.

We know that you will find a group that you are going to love.

Prayer Gatherings

Every Sunday morning we gather to pray at 9.30am before the service begins. This is an exciting time to partner with what God is doing during the service. You are welcome to join us on the stage, behind the curtain.

Led by Jonathon Sciola

The first Wednesday of every month from 7.30pm Marianne D'Gillionardo opens her home for people who want to pray, learn about prayer and discuss their relationship with God.

You can call Marianne on 9298 4267.

We'd love to have you with us!

Connect Groups

The heartbeat of the church is its people. Choose from one of these great groups so that you can grow in your love for God and others
