

Who we are

We are a vibrant, fun church with a vision for our city of Melbourne. We meet at 10am every Sunday with Youth and Kids church program. We are one of 250 Spirit-led churches around the world known as C3 Church, formerly: Christian City Church International.

Connect Groups

Connect Groups provide an exciting opportunity outside of our Sunday services for people to get together and talk about God.

They meet all times of the day, all through the week, in many different locations - cafes, homes, mums groups, schools...any place where it is convenient for people to get together.

Kids Church

Children's church activities occur during our service on a Sunday. They are action packed, filled with fun, food and good news about Life! Bring your kids this week to church!
